Aecon Internships Latest Opportunities 2025

Description

Aecon offers a dynamic and enriching internship program designed to provide hands-on experience and professional development opportunities to passionate and driven individuals. As an Aecon intern, you'll have the chance to collaborate with industry experts, gain practical skills, and contribute to meaningful projects that shape the future of infrastructure in Canada.

Responsibilities

- Collaborate with teams across different departments to assist in various project phases.
- Conduct research, analysis, and data collection to support project objectives.
- Participate in team meetings, providing insights and innovative ideas.
- Assist in the preparation of project plans, reports, and presentations.
- Gain exposure to industry-standard tools, technologies, and methodologies.
- Support project managers and professionals in day-to-day tasks and project execution.
- Contribute positively to the workplace culture and foster a collaborative environment.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic background in engineering, construction management, business, or related fields.
- Excellent communication and interpersonal skills.
- Ability to work effectively in a team and independently when required.
- Eagerness to learn, adapt, and take on new challenges.
- Proficiency in Microsoft Office suite and other relevant software tools is a plus.
- Passion for the construction and infrastructure industry and a drive to make an impact.

Job Benefits

- Mentorship and guidance from industry professionals.
- Valuable hands-on experience on diverse projects.
- Exposure to a variety of roles within the company.
- Networking opportunities with leaders and peers in the industry.
- Competitive compensation and potential for future career opportunities.

Contacts

Interested candidates can submit their resume and cover letter through Aecon's official career portal or designated application channels. Please highlight relevant experiences, skills, and why you are passionate about joining Aecon for this internship opportunity.
