CAMH Internships 2025 New Job Hiring

Description

CAMH is Canada's largest mental health teaching hospital and one of the world's leading research centers in its field. Located in Toronto, CAMH integrates clinical care, research, education, policy development, and health promotion to help transform the lives of people affected by mental illness and addiction.

CAMH offers dynamic internship opportunities for students passionate about mental health and addiction research, clinical practice, and community engagement. As an intern, you will have the opportunity to contribute to groundbreaking projects, gain hands-on experience, and collaborate with experts in the field.

Responsibilities

- Assist in research initiatives focused on mental health and addiction treatment.
- Support clinical teams in patient care and therapeutic interventions.
- Contribute to community outreach programs aimed at raising awareness and reducing stigma.
- Participate in educational workshops and seminars led by CAMH professionals.
- Assist in data collection, analysis, and reporting for research studies.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program (e.g., Psychology, Social Work, Public Health).
- Strong interest in mental health, addiction, and related fields.
- Excellent interpersonal and communication skills.
- Ability to work collaboratively in a multidisciplinary team environment.
- Demonstrated initiative and problem-solving skills.

Job Benefits

- Gain valuable experience in Canada's leading mental health research and treatment center.
- Networking opportunities with professionals in the mental health and addiction field.
- Access to CAMH resources, including libraries, seminars, and specialized training.
- Potential for academic credit, depending on your educational institution's policies.
