Dis-Chem: Dispensary Support Learnerships 2023 Apply Now

Description

Dis-Chem Pharmacies is excited to offer Dispensary Support Learnerships to individuals who are eager to kickstart their careers in the healthcare sector. These learnerships are designed to provide hands-on training, education, and practical experience within our dispensary departments. Successful candidates will be exposed to a wide range of tasks and responsibilities that are vital to the efficient operation of a pharmacy.

Responsibilities

- **Assist with Dispensing:** Learners will be trained to support qualified pharmacists and dispensary staff in accurately and safely dispensing medications to customers, while adhering to all regulatory guidelines.
- **Customer Service:** Provide exceptional customer service by assisting with inquiries, addressing customer concerns, and ensuring a positive in-store experience.
- **Stock Management:** Learn how to manage pharmacy inventory, stock rotation, and expiry date monitoring to ensure the availability of essential medications.
- **Health and Safety:** Comply with all health and safety regulations, maintaining a clean and organized dispensary environment.
- **Administrative Duties:** Assist in administrative tasks such as record-keeping, data entry, and maintaining patient profiles.
- **Product Knowledge:** Develop a solid understanding of pharmaceutical products, their uses, and potential interactions.
- **Compliance:** Adhere to all legal and ethical standards in the pharmacy field, including patient confidentiality and relevant regulations.

Qualifications

- Matric certificate (Grade 12) or equivalent qualification.
- South African citizenship or permanent residence.
- A genuine interest in the healthcare industry.
- Strong communication and interpersonal skills.
- Willingness to learn and adapt in a fast-paced environment.
- Reliable and punctual.
- Flexibility to work weekends and public holidays.

Job Benefits

- Valuable work experience in a reputable pharmacy chain.
- Learning and development opportunities.
- A stipend to cover basic living expenses during the learnership period.
- Potential for career advancement within Dis-Chem Pharmacies upon successful completion.
